Old Guys Rule Comedy Show

Dear Ted Holum, Gene Merola, Peter Hefty:

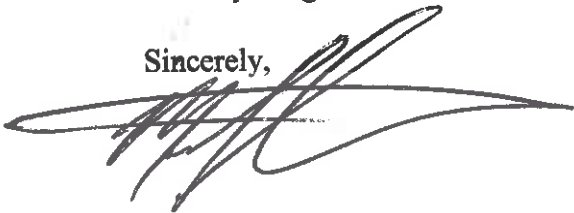

Thank you for the performance you put on for our residents at Heritage Pines on June 3, 2016. Your professionalism, humor, and candor were very well received by our members.

“The “Old Guys Rule Comedy Show” has a mix of humor and maintained the audience’s attention throughout. One of the most important aspects of any show is audience participation and the “Old Guys” did a wonderful job maintaining the audience and keeping their attention. Both in the time frame prior to the show, and the day of, The “Guys” were a pleasure to work with and the process simple and easy. I would absolutely book them again. “Our only regret is that we wished the show was longer.”

We hope that you enjoyed performing for members of Heritage Pines and that you will consider returning in the future for another excellent evening.

Thank you again for the memories & laughs you provided for our residents.

Sincerely,

Michael D. Russell
